Denton Surgery Patients' Group Meeting Summary

Denton Surgery Patient Group Meeting: Wednesday March 5th 2025

Summary of March Minutes: Key points from the meeting are given below – copies of the full minutes can be obtained from the Secretary (see below). They are sent to all Parish Councils.

Bicycle Rack – a cycle rack has now been installed, please note cycles are left at owner's own risk.

Primary Care Network (PCN) this ongoing process is on schedule to be completed by 1st April 2025.

Covid boosters - will available to designated groups around 1st May

Patients' Voice meeting and AGM – date for your diaries: **21st May, 7.0 pm at Denton Village Hall**. There will be two short talks – on menopause (speaker Helen Adula) and secondly on weight loss support medication (speaker Dr Wade).

Unused and Unopened Medicines - cannot be recycled and must be destroyed. Lack of storage space limits the pharmacy's capacity to take back medicines. Unfortunately, it currently has no capacity.

Events at NGH – patients have expressed concern about some services at NGH (e.g. current access to A&E). The experiences of other patients can be viewed on a Face Book group page to be found at:

<https://www.facebook.com/groups/1664312597695829/>

Volunteer Patient Transport – this important service remains very popular with patients, more drivers are always needed – please let us know if you can help.

Wellbeing meetings, these continue at Carey Chapel, Hackleton every fortnight. The sessions are well attended and supported by the social prescriber. The next dates in April are: 1st and 15th of April and meetings start at 10:30am
